

Thank you for considering THE OAKLEY to host your upcoming special event! Our beautiful second-floor space seats 75 guests inside plus 49 guests outside on the terrace, and is complete with its own bar and bathrooms. Our event space is available 7 days a week from 11am until 1:30am (terrace closes at 11pm).

Our team has crafted the following options for you to enjoy and customize, mostly from our standard menu. We are happy to discuss any items not on our menu, at your suggestion. Food will be available on the buffet line for 90 minutes, and is usually set out 30 minutes after your party officially starts. You will have the opportunity to work with our Party Coordinator to create the perfect event. The party menu can also be used for catering off-site events.

We look forward to hosting you!
